OUR STRENGTH COMES FROM WITHIN

COMMERCIAL/HOMESTYLE STACK DRYER/DRYER SPECIFICATIONS

KES17/KGS17

COMMERCIAL QUALITY

Built tough to stay that way. The No. 1 supplier of commercial coin-operated laundry equipment, Speed Queen continues to lead in customer satisfaction. Speed Queen homestyle washers and dryers feature many of the same rugged, reliable parts found in the coin-operated machines, so they're built to last.

Stack Dryer

Ideal for military or college laundry rooms, Speed Queen's stack dryer is built with unique space saving capabilities. The stack dryer is built energy efficient without sacrificing speed or efficiency.

Saves Space and Energy

- A space saver! Two dryers in the space of one, both operating independently.
- Ideal for large central laundry rooms.
- 100% serviceable from the front.

Superior Convenience

- A wide door opening of 2.06 sq. ft. is the industry's largest, offering residents easy loading and unloading.
- Door is reversible for installation flexibility, and up-front lint filter is easy to clean and secured.

Drying and Energy Dynamics

- Durable galvanized steel cylinder with extra large 18 lb capacity. The gentle tumble action minimizes wrinkles.
- Whisper Quiet™ exhaust blowers with superior airflow of 220 cu. ft. per minute for fast drying and lower operating costs.
- Efficient dryer heating with 22,500 BTU (gas models) and 5,350 watts (electric models).

Model	KES17/KGS17
Cylinder Volume	7.0 cu. ft.
Cycles	6
