Made in America since 1908, Speed Queen machines are renowned for their consistently powerful performance. Whether designed for homeowners or for commercial laundries, our washers and dryers are built to the highest standards of durability and dependability – and backed by superior customer service.

For the most accurate information, the installation guide should be used for all design and construction purposes. Due to continuous product improvements, design and specifications are subject to change without notice. The quality management system of Alliance Laundry Systems' Ripon facility has been registered to ISO 9001:2000. Printed in the USA.
