

QUANTUM® PLATINUM COIN DROP INSTALLED, PREP FOR CARD

COMMERCIAL STACK DRYER SOLID DOOR

Built for Reliable Performance

Speed Queen's stack dryer offers the same great features as the single load dryer. Two commercial dryers in the space of one, both operating independently, including independent controls for optimum usage. Defined by its simplicity and its performance, Speed Queen provides everything you need to get the job done - and nothing you don't. Speed Queen's stack dryer combines heavy-duty construction with reliable operation proven to stand the test of time. They're designed with less moving parts for one reason: so you'll face fewer maintenance problems and less wear and tear down the road. Speed Queen's dryers provide the perfect balance of heat, airflow and tumble action for optimal performance and efficiency. Bottom dryer is ADA compliant.

- Graphical display screen with animated and multi-language instructions
- Integrated meter case
- Industry's largest door opening 2.06 sq. ft. (1914 cm²)
- Quiet, efficient blower system
- Door is reversible for installation flexibility
- High efficiency exhaust blower with superior airflow 220 cfm (105 liters/sec)
- 100% serviceable from the front
- Space-saving narrow cabinet 26.875" (683 mm)
- Upfront lint filter easy to clean and secured
- Durable galvanized steel cylinder
- Large capacity meter case standard
- Wash Alert™ capability

Quantum® Platinum Controls offer residents unparalleled flexibility. The full-color, multi-language display makes operation intuitive, with a special "Anti-Wrinkle" cycle option that gives your residents the ability to tailor cycles to their specific needs. Management is simplified with advanced analytics and on-screen diagnostics to alert your laundry service provider to potential problems, minimizing downtime.
