

SPEED QUEEN MULTI-HOUSING

NOBODY COMPARES TO OUR GUTS

COMMERCIAL STACK DRYER

Built for Reliable Performance

Nobody compares with Speed Queen because you get more than quality products. You get peace of mind because you're dealing with a company that is committed to the multi-housing industry. You get the ongoing support of a national network of authorized Speed Queen Laundry Service Providers. And you get state-of-the-art electronic technology to maximize community laundry room profitability. What else would you expect from the world's leading supplier of commercial laundry equipment?

EXTRA-LARGE CAPACITY

means large loads aren't a problem. The 7.0 cu. ft. (198 liter) cylinder delivers superior tumble action to handle large, bulky loads with ease.

GALVANIZED STEEL dryer cylinder will not fade, corrode, chip, crack, or discolor with normal use.

EASY-TO-READ DIGITAL DISPLAY makes programming the machine a breeze and is easy to use, displaying vend price, cycle time and cycle status.

TOUCH PAD CONTROL allows for easy selection of four temperature options for customized cycles.

SECURED LINT FILTER is upfront, convenient to reach and easy to clean.

FRONT SERVICEABILITY means all major components can be serviced through lower access panel.

LARGE DRYER WINDOW

option is available for improved load visibility.

QUIET, EFFICIENT blower system with 220 cfm (105 liters/sec).

INTEGRATED METER CASE protects against theft and vandalism.

INDUSTRY'S LARGEST DOOR OPENING measures 2.06 sq. ft. (1914cm²) for easy loading and unloading.

REVERSIBLE DOOR for installation flexibility.

LEVELING LEGS can be adjusted from inside dryer for quick and easy installation.
